Here is our list of 10 ways to explore the city without spending a thing. Are Thai temples or beaches more attractive? It's a difficult decision! The country is exotic, has colorful cultures and history, as well as residents who like to give visitors a warm smile. The sand among Thailand's toes beaches is legendary: palm trees lean over mother-of-pearl-colored strips of sand, corals bloom in shallow water and exuberant beach parties are celebrated everywhere. The coastline is a long, green island rising from the azure sea and between the sky and the sea is perched impressive limestone. Tropical Thailand is a paradise for people with joy and hermit types alike, to kings and beggars alike. You can really relax in steam or relax, for example, in gentle surfing in front of Bang Saphan Yai, diving at Ko Tao, Krabi rock climbing, kittingen in Hua Hin or Ko Samui resort, naming some paradises. Holy places in a country shaped by Buddhism, supernatural, spiritual is ubiquitous: devotion becomes colored glasses, shiny temples and golden Buddhas adorn rural areas and towns, old Banyan trees are solemnly wrapped in sacred cloths, happy shrines stand in plain food stalls, but also in modern shopping malls, and scores of nedor with threads are supposed to be vert accidents. Thai constant dialogue with the Divine is a resting place in everyday chaos. Visitors can also engage in this dialogue, such as a meditation seminar in Chiang Mai or religious festivals in the north-east, peaceful cave shrines in Kanchanaburi and Phetchaburi or mountain temples in the north of the country. Abundantly in the table Thai cuisine is addictive! It is loved all over the world and reflects the elementary aspects of Thai culture: it is generous, welcoming, alienated and nuanced, refreshing and uncomplicated. And, of course, it tastes best in your home country, because Thai dishes are traditionally made from fresh, regional ingredients. Popular are among other things: Zitronengras, brennend scharfe Chilischoten, Meeresfruchte und knusprig gebratenes Huhn. Dank den tropischen Bedingungen ist die Nationalküche rund um die vier Grundgeschmacksrichtungen – scharf, süß, salzig, sauer – vielfältig und üppig. Natürlich gibt es regionale Unterschiede, C:WINDOWS\windows\lauc so können sich Reisende auf eine kulinarische Odyssee mit Stationen wie Bangkoks Nudelbuden, den Seafood-Pavillons auf Phuket und den birmanischen Marktständen Mae Hong Son begeben. Olmehin wird es für Traveller rasch zu einer wichtigen Fertigkeit, sich auf den Märkten zurechtzufinden, wo es überall leckere tropische Früchte gibt.
